Memo:

Nundydroog Dr. Comm's
Nos. 238 & 252 Dt. 14th
& 25th September 1876,
respectively.

— " —

With the above, the
Comr. forwards the District
Irrigation Fund Budgets
for the settled Taluks in
the Bangalore & Tumkur
districts for 1876-77, &
states that the budget
for the Gudibunda Taluk
in the Kolar Dt., which has
been only recently settled,
cannot be submitted for
the current year as
the amount to be allotted
to the Irrigation Fund
of this Taluk has not
yet been decided.

2. The Comr. observes
that no tanks have as
yet been brought up to a

a standard of safety,
that there does not
appear to be any prospect
of the Irrigation Dept.
commencing immediate
operations in any of the
Talukas for which these
budgets are submitted,
that a few tanks have
however been thoroughly
repaired and brought up
to the required standard
by the Revenue Dept.
in some Talukas and
that although it is a moot
point whether the repairs
of such tanks can be
met from the Irrigation
Fund the question may
be deferred until the tanks
have been professionally
pronounced to be up to the
necessary standard.

3. The Commr. further
states that the expenditure
now

now proposed [illegible] of
on the ordinary repairs
of Tanks & that the
Deputy Commr of Bangalore
proposes to place at the
disposal of the Irrigation
Department, for improving
the Krishnarajpur Tank,
the whole amount allotted
for expenditure in that Distt.

4. The Deputy Accountant
General to whom these
papers were referred for
verification of figures entered
under the head "Receipts" of
the above budgets, remarks
as follows:-

I "In the Bangalore Statement

income for 1875/76 as shewn in

" in that Statement is Rs 4,640/6/8.
